**ANANTARA**

KIHAVAH MALDIVES  
VILLAS

In line with Anantara's philosophy of four natural elements, we are delighted to offer you **'Elements'**, an experience club offering an exhilarating journey of adventures, on and alongside the turquoise Indian Ocean. Also known as 'Ratnakara' in the ancient Sanskrit literature and meaning 'the creator of gems', the Indian Ocean is home to a variety of marine ecosystems that vary from planktonic organisms to sharks, crustaceans and sponges. Here dolphins, turtles and mantas can be seen thriving in their natural habitat.

# Water

Explore your tranquil water element by discovering the magical underwater world that lies below. Whether you choose to scuba dive or snorkelling you can rest assured that our experienced instructors, first class rental equipment, comfortable Dhonis (*Maldivian boats*) and many dive sites cater for beginner and experienced divers alike. For a more relaxed sightseeing excursion in the shallow waters or across the lagoon try a sturdy kayak ride.

# Air

Fly free as an eagle and leave the qualms of everyday life behind as you explore the liberating and gravity-defying air element in the skies above. Our fully-rigged parasailing boat, allows you to soar through the sky with an unforgettable bird's eye view of the lush, green tropical islands encircled by living coral reefs immersed in a glistening ocean below. If adventure is your game try mastering both the air and water elements with our cutting-edge windsurfing rigs, catamarans or kites.

# Earth

Do you feel the need to ground yourself on solid earth after a long flight or a day spent on the ocean? Spend the day re-enacting the adventures of Robinson Crusoe with your fellow castaway, or just an hour or so watching a breath-taking golden sunset over the ocean in total solitude and tranquillity.

# Fire

Amidst the serenity of our laidback island lifestyle we appreciate the need for speed and can ignite your fiery element with 150 horsepower of mind-blowing muscle. Climb on-board our speedboats and feel the wind rush through your hair as you speed across the mirror-smooth Indian Ocean. If spectator sport is not your game cut your own wave skiing or wakeboarding behind this awesome power. At Anantara Kihavah the world is your oyster and we will be honoured to be your guide on your adventure to discover and explore your natural elements.

## Snorkelling etiquette

Anantara Kihavah's house reef is a vibrant haven of corals and marine life, making it one of the Maldives' best Snorkelling destinations. To preserve this delicate ecosystem, our team at Elements leads conservation efforts. You can play a vital role too by following these simple steps:

### DOS

Wear proper equipment and ensure it fits correctly.

Only snorkel in designated areas. Visit Elements for your snorkel safety briefing.

Check weather and tide conditions before heading out.

Swim with a partner or guide for safety.

Stay hydrated and use sunscreen with a high SPF that is safe for marine life and coral reefs.

### DON'TS

Don't touch, stand, or step on corals.

Don't disturb or harass marine life.

Don't litter in the ocean / avoid using single-use plastic.

Avoid snorkelling with a full stomach to prevent discomfort or cramps.

Don't feed marine creatures, as it can disrupt their natural behaviour and ecosystem balance.
