FEEL UNIQUE

The beauty of our island also lends itself well to life's most romantic moments, whether a proposal, wedding, honeymoon or anniversary. However you imagine these, we will dedicate ourselves to bringing your vision to life: perhaps an exchange of vows at sunset followed by a banquet by candle and star light, your stage a remote stretch of beach scattered with petals and the open ocean beyond.

FEEL THE PLACE

Its own little world, there is much to experience on our island, and in the jewel-toned waters that surround. Whether snorkelling our house reef, one of the best in the atoll with clown fish, reef sharks and sea turtles, or heading out to Hanifaru Bay, a once-in-a-lifetime destination, every moment is elevated with the extraordinary beauty of nature.
