- Sustainable luxury on a natural island in the Baa Atoll lush with flora and fauna
- A multitude of restaurants, bars, activities and adventures to choose from
- 35 minutes by seaplane from Malé or 20 minutes by domestic flight from Malé to Dharavandhoo then 15 minutes by speedboat

## FEEL INSPIRED

Built in harmony with the landscape, our villas epitomise island living, but with contemporary, worldly comforts. Thatched-roof beach villas face the sunset and are a short swim from the beautiful house reef. Overwater villas look out onto nothing but open ocean. And most spectacular of all, the Reethi Suite, hidden away in its own garden of paradise, boasts expansive living space with a lounge, dining area and kitchen.
