

## An Oasis of Contrasts

Stretched across two islands, The Halcyon Private Isles, Maldives is a landmark for the well-travelled.

On the first island, lush foliage, crystal blue waters and stretches of white sandy beach create an unparalleled sanctuary.

The other island, called Ocean Pearl, is located just a 2- minute boat ride from the main island, where palatial retreats perched above the turquoise waters offer unobstructed views of the Laccadive Sea and breath-taking sunsets.
