

An aerial photograph of a beach and turquoise ocean. A person is walking on the sandy beach. Overlaid on the image is a constellation of white and orange dots connected by thin white lines, resembling a star map. The text "SNOW, SAND AND Stars" is centered in the upper half of the image.

FESTIVE PROGRAMME
December 20th 2025 to January 1st 2026

Welcome to COMO Cocoa Island, your private island sanctuary in the Maldives. We are honoured to be spending the festive season with you.

Our thoughtfully curated programme invites you to rest, rejoice and reconnect, from shark spotting and sunset cruises, to indulgent festive feasts and wellness rituals to restore both body and mind.

This year, we are also delighted to welcome artist in residence Gregory Burns – join him for Paint with the Artist sessions and be inspired by the natural beauty that surrounds you.

Now is the season to celebrate – with loved ones, in nature, and through creativity.

Warmest regards,

Arta Rozefeldt

Resort Manager
