One starry night, Santa left the snowy North Pole and flew over the ocean with his reindeer. Instead of landing on snow, his sleigh touched down on the soft white sands of Halaveli!

Palm trees swayed, the sea sparkled and children cheered as Santa shouted, "Ho! Ho! Ho! Merry Christmas from paradise!"

From that day, Santa promised to return to Halaveli every Christmas with gifts, laughter, and island magic.

The boat on the right is further away. The water reflects the colors of the sky. In the background, a dark silhouette of a coastline with several hills or mountains is visible.
