WINE & DINE

The image shows the interior of the Ara Iru Restaurant, which has a warm, rustic atmosphere. The walls are covered in a dense, woven bamboo pattern. The ceiling is made of wooden beams and woven bamboo. The floor is made of light-colored wood. There are several tables, some round and some rectangular, with white tablecloths and glassware. A bar area is visible in the background with a menu board. The lighting is warm and ambient, with some pendant lights hanging from the ceiling. The overall feel is traditional and inviting.

Savor traditional local dishes and an array of delicious international cuisine at Ara Iru Restaurant. For more personalized experiences, a selection of private dining menus are available.

EXPERIENCES

Go explore the depths of the Indian ocean or the island and sandbanks surrounding the island. Get your heart pumping at our water sports center by learning how to windsurf.

A large sea turtle, likely a Hawksbill, is swimming gracefully underwater. The turtle's shell is a mix of dark brown and reddish-brown, with some lighter patches. Its flippers are dark with a prominent orange-red pattern. The background shows a vibrant coral reef with various shades of green and blue, set against a clear blue sky. The overall scene is serene and beautiful, capturing the essence of ocean life.

DIVE OCEAN WATER SPORT

Our International diving school, Dive Ocean offer PADI courses to explore the secrets beneath the ocean
