The background is a dark blue night sky. It features various festive and travel-themed illustrations. In the top left, there's a blue Christmas ball, a gingerbread house, a coconut drink with an umbrella and orange slice, and a purple ball. A string of lights and a starburst are at the top center. On the right, there's a postage stamp from the United Kingdom featuring Big Ben and the number 5, a star, a seashell, and another gingerbread house. At the bottom, there's a silhouette of Santa Claus's sleigh pulled by reindeer, and another coconut drink, purple ball, and blue ball. The text 'Cinnamon' is in a large, elegant script, and 'HAKURAA HURAA MALDIVES' is in a smaller, sans-serif font below it. A large, faint Ferris wheel is visible in the background on the left.
