

Dear Guests,

Welcome to Alila Hinu Bay, where luxury seamlessly blends with the splendor of natural beauty!

From 27th February to 29th March 2025, we observe the holy month of Ramadan, the ninth month of the Islamic calendar. A cornerstone of the Islamic faith, Ramadan is a sacred period of fasting, prayer, and reflection, fostering a profound sense of spirituality and community. During this time, Muslims around the world abstain from food and drink from sunrise to sunset, dedicating themselves to prayer, contemplation, and acts of solidarity.

To respect the observance of Ramadan, Alila Hinu Bay will adjust its services as follows. Please review our temporary guidelines for the period of Ramadan:

DINING

- Breakfast will be available daily in the indoor section of THE ORCHARD restaurant from 7:00 AM to 10:30 AM. Note that outdoor dining will not be offered during daylight hours.
- Lunch will begin at 12:30 PM daily in the indoor section of SEASALT restaurant. Similarly, outdoor dining will be paused during daylight.
- Dinner will be served at both THE ORCHARD and SEASALT restaurants from 7:00 PM to 11:00 PM, with outdoor dining resuming after evening prayers.
- For all-day dining options, in-room service will be available 24 HOURS.

- For other dining options, guests are welcome to visit the indoor section of our designated restaurants.
- We also suggest more modest swimwear during these hours.

ALCOHOL

SEASALT from 7 PM to 11:00 PM in the indoor section
- No alcohol will be served in any public area outside these hours.

Aligning with local customs, Iftar (the meal for breaking the fast) is offered every evening at sunset. Iftar features an abundant and diverse selection of Arabic cuisine. To learn more and experience the Iftar menu, please inform our Food and Beverage team to arrange at your preferred timing.
