## NATURE

### EXPERIENCE NATURE IN THE HEART OF THE CITY

The hotel is attached a natural reserve offering unique views of an Oasis, the Al Ansab Wetlands.

This natural sanctuary is home to a stunning variety of 275 bird species. From the hotel's Oasis view rooms, you can enjoy the beauty of the Oasis all year round, whether it's summer or winter.

Imagine waking up to the melodious songs of thousands of birds, away from the noise and bustle of the city, all while enjoying a great connectivity to anywhere in the city.

In addition to the unique nature around us, the hotel offers a range of recreational amenities, including beautiful gardens, a relaxing sheesha lounge, refreshing swimming pools, tennis courts, and more. It's the ideal place to strike a perfect work-life balance.

So, kick back, clock off, and savor the breathtaking views of the Oasis.

## SUSTAINABILITY

### CROWNE PLAZA MUSCAT OCEC'S COMMITMENT TO SUSTAINABILITY

Crowne Plaza Muscat OCEC is proud to be one of the pioneering hotels in Oman with LEED (Leadership in energy efficiency design) certification, showcasing its commitment to energy efficiency and sustainability.

Through smart design and innovative systems, the hotel ensures minimal energy consumption. Motion-sensor lights automatically turn off in public areas and corridors when no movement is detected, while the AC operates using a district chilling system with zero carbon emissions. Solar energy is utilized for water heating, and the hotel has taken the initiative to replace plastic bottles with recyclable glass bottles, reducing the use of approximately 10,00,000 plastic bottles annually.

As an IHG Green Engage Level 4 hotel, we are at the forefront of environmental sustainability, employing leading and innovative approaches that contribute to a worldwide effort to protect our planet. By choosing to stay with us, you become a part of this important initiative.
