BEACH CLUB
NATAI

Managed by the team behind the internationally acclaimed estate Sri Panwa, **BABA BEACH CLUB NATAI** is a music lovers hotel that presents itself as a luxury beach club and residence of the highest quality, maximum privacy, superior service, and always with bangin' music playing through a custom Funktion - One sound system.

HIGHLIGHTS

BABA BEACH CLUB NATAI is just 20 minutes north of Phuket International Airport on a 2 - kilometre long stretch of unspoilt beach. You won't find much development around here; instead, you'll be immersed in a lush tropical environment belonging to an area rich with natural beauty and unforgettable charm that is emerging as a prime extension of Phuket.

BABA BEACH CLUB NATAI is an exercise in Chino - Portuguese design. Add a pop of colour, and you get Shanghai Tang. All 34 exclusive villas and suites as well as 4x5 - Bedroom Beachfront Residence Villas were designed with this aesthetic which is as bold as our music - centric attitude. Key holiday amenities such as golf courses, marinas, shopping centres and famous attractions are just minutes away despite the remote - like location.

BABA DINING

BABA BEACH RESTAURANT

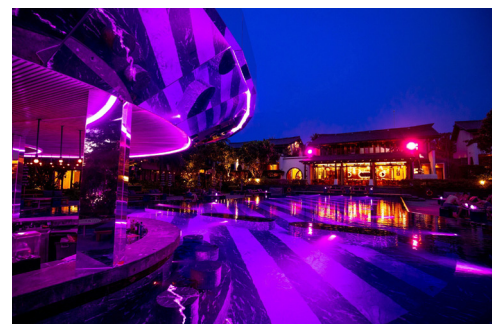

All - day dining at Baba Beach Club Natai sees a selection of plates that offer cross - cultural pairings with pan - Asian specialties served alongside stunning vistas of the Andaman Sea, organic ocean aromas and the sublime sound of the sea. Open daily from 12pm - 10pm

BABA BEACH BAR

To many of our guests, the Disco Bar is the best seat in the house. Inspired by the effervescence of a disco ball in how it becomes the pièce de résistance of a room, it's recently got an upgrade material so it appears shinier when light is reflected off it. Open daily from 12pm - 10pm

BABA IKI

Created by the highly - trained sushi, teppanyaki and yakitori chefs at Baba Beach Club Natai, Baba Iki features sumptuous plates that are focused on the freshest ingredients and authentic flavors from Japan. Guests have the option to sit outside on a veranda edged by inviting waters or indoors where the atmosphere is lent by a view of the buzzing open - kitchen. Open daily from 12pm - 10pm
