Cat-friendly hotel.

Our hotel is a supporter of a program for the neutering of cats. We cooperate with Kemer Municipality and Kemer's main veterinary clinic, DVM. Cats undergo regular medical and health checks and are vaccinated.

Our goal is to save cats and at the same time offer them a comfortable and healthy lifestyle. As American literary editor Ty Hohoff says, "There are many things in life, but there is nothing quite as touching as being greeted by a cat."

When choosing our hotel for a holiday, our guests should be prepared to meet our little and cute friends, as some people have allergies or do not like animals.
