PILLOW MENU

Mediform Neck Pillow

Mediform neck pillows provide superior comfort for those struggling with neck, shoulder, and back pain. By cradling your head and the upper part of your body and evenly distributing your weight onto the pillow, it offers relief and support along with pressure relief.

Visco Therapy Pillow

Due to being made with visco material, these pillows can be used with comfort and provide a significant solution against conditions such as snoring, cervical hernia, and lumbar hernia. With their anatomical and orthopedic structure, these products create a relaxing effect on muscle and skeletal structure.

Goose Down Pillow

Goose down is the most natural, healthy, long-lasting, and lightweight filling material that can be used in the world. It protects the body against temperature changes and provides heat and moisture balance. Thanks to its hygroscopic properties, it absorbs excess moisture in the environment and releases it when not in use.

Gel Pillow

The gel structure on its upper surface absorbs the heat of the area that it touches and helps reduce body temperature. It offers an uninterrupted sleep experience by preventing sweating with its cooling effect.
