ACCOMMODATION

With 168 tastefully-appointed rooms and suites spread over 11 floors, we offer a relaxing stay that perfectly suits your needs, whether you simply want a plush Deluxe room, a Superior room with extra space for single guests or families, or choose to revel in the sophisticated luxury of our 143m2 Presidential Suite.

Unmatched among 4-star hotels, all rooms feature our state-of-the-art Royal Continental Digital Connect, an innovative LED Screen controlled room introduced to accommodate our guests' every need at a single touch. The system provides effortless control of Music and Movies on-demand, in-room dining, interactive global weather, airport information and many more interactive screen options. Our rooms are also available in both disabled and inter-connected family formats for easy access.

We are a halal hotel, in keeping with the initiative of H.H. Sheikh Mohammed Bin Rashid Al Maktoum to promote halal tourism in Dubai, and our in-room mini bars offer non-alcoholic beverages, chocolates and other refreshments. We also provide guests with conveniently located dedicated prayer room facilities.

The comfort and security of our guests is our highest concern, and access to guestroom floors and complimentary basement parking facilities is controlled by key cards linked to individual guests.

DINING

Royal Continental features dining options to satisfy your culinary needs 24 hours a day, 7 days a week, whether you choose to select from our extensive in-room dining menu, or one of our two outlets:

Royal Continental Hotel reflects and upholds Arab cultural values throughout its facilities, and therefore does not serve any alcoholic beverages or pork items
