Spa & wellness center

Old Indian Medicine, „Ayurveda Panchakarma Therapy“

Indian Ayurveda Panchakarma Center has been operating in the hotel since 2010. It is 5000-year-old, Indian medicine that helps to cure the human soul and body.

The Ayurveda massage cycle is not only a relaxing and healing line, it also offers a cosmetic line. The Ayurveda massage rooms are equipped with wooden massage beds, steam room and aromatic essential oils brought from India.

It is noteworthy that the procedures at our Spa Center is conducted by the Indians themselves, which greatly increases the quality and the effect is even more visible.
