About us

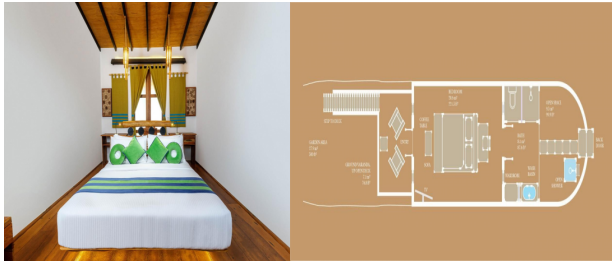

Visit the most eco-friendly resort ever built in the Maldives. Explore a location where it is possible to relax and unwind, and where both adventure and leisure are equally accessible. At Yash Nature Resort, you can feel like you're in a genuine Maldives island paradise surrounded by nature. Tour Yash and explore the island's abundant tropical delights.

Location

The island of Yash Nature resort Maldives is located in Dhaalu atoll and is one of the most beautiful islands surrounded by a beach. Dhoores island is preserved in its natural state and retains the particular characteristics of a Maldivian island. This is the ultimate eco-resort boasting a minimalistic design that incorporates the concept of harmonizing the actual Maldivian environment with the necessary comforts. It was designed and constructed using local architectural components. Yash Nature resort Maldives is surrounded by the exotic beauty of the Indian Ocean and boasts Maldivian-style eco-bungalows developed and constructed with a combination of local materials that blend with the natural surroundings. The island is only 7,5 hectares in size and is surrounded by a vast sandy beach. Guests can arrive at Yash Nature resort Maldives, which is located 158 kilometers from the capital Male', by seaplane in a short duration of about 40 minutes.
