

MANAFARU
MALDIVES

FACTSHEET

An aerial photograph of a tropical island resort. In the foreground, a long, curved row of overwater bungalows with thatched roofs is connected by a wooden walkway. The water is a vibrant turquoise color. In the middle ground, a lush green island with a white sandy beach is visible, with more buildings and palm trees. A long wooden pier extends from the island into the water. The background shows the deep blue ocean under a clear sky.
