Le **MERIDIEN**
MALDIVES RESORT & SPA

HELLO

Sunny Greetings of the day!

As we head into the holiday season we wanted to share the latest news and information from our beautiful island paradise, Le Meridien Maldives.

Located on the stunning island of Thilamaafushi, in the southern pocket of Lhaviyani Atoll, our 141-villa resort celebrates the fabric of the Maldives, its people, nature and art, channeling its energy to uncover the charm of the destination through Le Méridien's distinctive European-chic lens.

Spanning an impressive nine hectares, Thilamaafushi translates as "island surrounded by vast lagoon" in Dhivehi, the language of the Maldives. The natural island is an eco conscious haven abundant with indigenous flora and fauna, with the waves of the Indian ocean lapping gently on the shimmering lagoon. The waters boast coral reefs bursting with vibrant marine life, including pods of Manta Rays and turtles. Our guests can easily access the resort by only a 35-minute seaplane journey north of Velana (MLE) International Airport, Malé.

We have created a tailored programme for Christmas and New Year and we are sure all guests will find something to enjoy, whether this be couples on a romantic break or families looking for a getaway with their loved ones.

Since opening our doors on 1 September 2021, we have strived to provide a home away from home for our intrepid clientele of elite travelers with the hopes of creating meaningful moments and memories enticing them to return to us. I am proud to say that we have amassed at least 50 repeat guests over a short period. This is a testament to the dedication and hard work of our creative-minded associates.

Over the course of the past year, we have had the pleasure of hosting many of you on our beautiful island and we have truly enjoyed strengthening our partnership. We took this time reflect on your valuable feedback and strived to improve our product and services at our resort.

We look forward to welcoming all of you and your clients to feel the European spirit in paradise and to savour the good life through our unique experiences curated specially for you at Le Méridien Maldives Resort & Spa.

Wishing you and your family Happy Holidays and a Happy New Year

Warm regards,

Nilesh Singh
General Manager

YOUR GLAMOUROUS GETAWAY IN THE MALDIVES

Every aspect of our hotel's design takes its cues from a mid-century design aesthetic and the rich European heritage of Maldives.

Savor the sights, sounds, aromas and tastes of the Lhaviyani Atoll with six restaurants and bars and Explore Spa by Le Méridien. Inspired by the essence of the Maldives, combined with a passion for culture, cuisine and design, our resort is a playful sanctuary for the curious and creative traveler to discover the European spirit of savoring the good life.

Each villa's design evokes mid-century philosophies and unites the concept of art and industrial design with clean lines, a muted color palette and a juxtaposition of renewable materials that fosters simplicity, openness and functionality.

A selection of one-and two-bedroom villas are tucked amongst the tropical landscape and dotted over the Indian Ocean and feature unparalleled views across the whitewashed beaches, the Indian Ocean or turquoise lagoon.

141 villas spread across the Eastern and Western sides of the resort: 97 overwater villas and 44 beach villas.

9 Hectares of natural island. Distinct habitats including coral reefs, seagrass meadows and mangrove forests are unique to our island home and support to surrounding ecosystem.

The resort's house reef measures up to 1 kilometre and is easily reachable from the resorts main beach as well as the overwater villas. Uniquely diverse marine life to be encountered on the house reef - green turtles, hawksbill turtles, various (including rare!) stingrays, rays, blue tangs, puffer fish, box fish, needle fish, bluefin jacks, trevallies, rock lobsters and more.

Private island **Bodu Finolhu**, is 100% owned by the resort: exhilarating experiences include private events, romantic dinners, day picnics and more.

A FAMILY GETAWAY IN THE MALDIVES

WHAT TO EXPERIENCE?

A CELEBRATION OF THE MALDIVES, THE KIDS' HUB IS A CREATIVELY AND THOUGHTFULLY DESIGNED SPACE THAT TEACHES YOUNG AND OLD ABOUT THE ATOLL'S ABUNDANT FLORA AND FAUNA THAT THRIVES ON LAND AND SEA.

- Le Meridien Kids Club
- Babysitting services
- Renewing kids spa treatments in Explore Spa
- Marine Conservation
- Movie nights under the stars
- Kids activities: Cooking and Painting classes

LE MÉRIDIEEN FAMILY KIDS HUB

A celebration of the Maldives, the Kids' Hub is a creatively and thoughtfully designed space that teaches young and old about the Atoll's abundant flora and fauna that thrives on land and sea. Through an educating program that nurtures discovery and conservation, the Kids' Hub aims to engage and interact with our little guests through a curated program.

We offer a fun-filled schedule, 7 days a week, with outdoor activities allowing the children to experience the Maldivian spirit: marine biology, aqua adventures, Maldivian dance lessons, Bodu Beru lessons, gardening, shell collecting, palm leaf art, coconut bowling, treasure hunt, nature walk, beach fun games and sand sculptures making.

FACILITIES

Pirate Ship

Suitable for 6 years and above.

Adventure Playground (outdoor area)

Suitable for kids aged 4-12 years old. The Adventure Playground features slides and swings and includes the opportunity to enjoy sensory trails, activity walks, obstacle games, scavenger hunts, and other fun outdoor activities.

Toddlers' Area – Labyrinth & Ball Pool

A safe, fun space for toddlers to indulge imagination. Suitable for kids aged above 6.

Arts & Craft area

A fun art and craft play zone for kids to develop their imaginations. For kids 2 – 11.99 years old.

LET YOUR KID'S CURIOSITY TAKE FLIGHT

Thilamaafushi Marine Masters

It is a specially designed programme that inspires children, tweens, teens and adults to connect with the environment around them in the hope of future preservation. The immersive programme is available in bite-size modules or a full curriculum that is scalable from young children to teens to adults. Spearheaded by the resort's marine biologist, topics include atoll topography, coral identification and health monitoring, turtle identification and even ray or shark identification.

Coral Restoration

Learn about the coral reef ecosystems and our coral restoration project. We also outline coral structure and identification and discuss threats to coral reefs. This is followed by 'Build A Reef', where the guests can get hands-on with our marine biologist, transplanting their own coral frame. This frame is then placed at a suitable location in the lagoon. What better way of leaving your environmental footprint?

Family Foraging At The Greenhouse

Family foraging in The Greenhouse where families can learn together the importance of hydroponic farming practices in an island formed nation, the benefits of composting and how hydroponic practices can produce fresh and healthy food for us and the planet. Foraging followed by a cooking class with lunch at The Greenhouse.

Twilight Cinema

The ultimate movie-going experience, guests will be transported to Hollywood from the Indian Ocean. Set against the backdrop of the night sky, movies will be projected whilst families can enjoy an array of movie-going delights.

Diving For Children

Children between 8 and 10 years old are already able to dive! Give your children a glimpse into the scuba diving lifestyle and set them on a path of becoming a future diver. The PADI Bubblemaker programme is as much fun as it sounds. Children have the unique chance to blow their first bubbles under water. They will learn how to use basic scuba gear in a safe and effective way and go on a shallow dive in a controlled environment. Diving comes natural to children and they won't stop talking about the first time they found Nemo!

Mum & Dad With Me:

Family wellbeing is taking on a new shape, bringing meaningful wellbeing and together time as well as time to yourself in one place. Relax, rejuvenate and unwind with your kids at Explore Spa with a renewing spa program specially curated to pamper families with children in the age group of 4 to 11.99 years old.

BODU FINOLHU

Bodu Finolhu is also a utopian setting for picture-perfect picnics, as the golden sun dips beyond the horizon, casting shimmering shades of orange across the open skies. Families can celebrate with a sparkling soiree, a specially prepared beachside picnic or couples can design their own bespoke aperitivo menu, forging memories that will last a lifetime within their own private paradise. Whatever the special occasion, Le Méridien Maldives Resort & Spa will make it truly enchanting.

SUSTAINABILITY PRACTICES

LE MERIDIEN MALDIVES
RESORT & SPA RECEIVES
THE PRESTIGIOUS BCA
GREEN MARK GOLDPLUS
AWARD (PROVISIONAL).

LEADING PROVIDER OF DEDICATED SERVERS

Le Meridien Maldives Resort & Spa receives the prestigious BCA Green Mark GOLDPlus Award (Provisional).

Launched in 2008, the BCA Green Mark Champion Awards recognizes developers who demonstrate strong commitment towards corporate social responsibility and who have achieved a substantial number of Green Mark buildings at Gold level or higher. The Building and Construction Authority (BCA) champions the development and transformation of the built environment sector, in order to improve the living environment of the world. The Building and Construction Authority (BCA) honors the island resort sustainability initiatives and its special efforts in operating an eco-conscious holiday destination.

When Le Méridien Maldives Resort & Spa welcomed its first guests in September 2021, it marked the debut of Le Méridien Hotels & Resorts in one of the world's most fascinating destinations with a purpose to make a difference through its leading edge sustainability programmes. The 141 villa resort lies secluded in a southern pocket of Lhaviyani Atoll on the natural island of Thilamaafushi; an eco-conscious hideaway of indigenous flora and fauna surrounded by a shimmering lagoon and coral reefs teeming with marine life. To ensure that this biodiversity is not only preserved, but thrives, Le Méridien Maldives Resort & Spa is committed to environmental consciousness in line with Marriott International's 'Serve 360' sustainability policy - with a range of pioneering programmes that promote a culture of best practice throughout resort operations.

The resort offers meaningful travel to all the guests by focusing on environmental protection, community engagement and marine conservation. Fringed by a vast lagoon, the coral reef that forms and surrounds the resort islands is one of the most complex ecosystems on earth. A coral restoration programme has been put in place since construction of the resort, and implementation of educational programmes that target different age groups raise's awareness of the importance of conservation among guests. Regeneration work of hard corals has already increased the number of marine life around the resort, particularly reef fish such as surgeonfish, damselfish, angelfish and more.

Le Méridien Maldives Resort & Spa has also taken a significant step towards self-sufficiency, "The Greenhouse" is a semi-automated hydroponic system that produces fresh leafy vegetables for resort guests and consumption on neighboring islands. Developed in conjunction with Singapore-based company Kok Fah Technology Farm, the 500 m² greenhouse uses a range of state-of-the-art technologies, including an automated irrigation system that captures and recycles rainwater.

From its efficient recycling methods, to its desalination plant that converts seawater into fresh drinking water through reverse osmosis, to harnessing the power of the sun with its 480-kilowatt solar panel system, Le Méridien Maldives Resort & Spa creates enriching experiences for the guests to explore and build deeper connections with Mother Earth. Receiving the award by BCA as a sustainability leader motivates the resort to continuously prioritize on effective sustainable initiatives that is designed to create a positive impact in its surroundings and local community.
