A Boutique Island Story

In the heart of the Maldives

Welcome to V Villas Maldives at Mirihi - MGallery Collection,

where the beloved charm of Mirihi blends seamlessly with the refined elegance of the MGallery Collection. This intimate island sanctuary invites guests to rediscover the Maldives in its most authentic form, where barefoot luxury, personalised service and untouched nature shape every moment.

Here, life slows to the rhythm of the ocean. Days unfold gently beneath swaying palms, and evenings end beneath star-filled skies. The experience is designed for travellers seeking tranquillity, romance and meaningful connection with the natural world.

Arrival into the South Ari Atoll

The journey begins with a scenic seaplane flight from Velana International Airport, offering sweeping views of turquoise lagoons and coral atolls scattered across the Indian Ocean. Within just thirty minutes, the island appears like a jewel in the sea.

The moment guests arrive, the atmosphere is unmistakable: peaceful, intimate and deeply connected to nature.

The Location

Situated in the renowned South Ari Atoll, the resort enjoys a privileged location in one of the world's most celebrated marine regions, famous for year-round whale shark encounters, seasonal manta rays and thriving coral reefs.

A Truly Intimate Island Retreat

With only thirty-eight villas, the island offers a rare sense of exclusivity and serenity.

The scale of the resort ensures a highly personalised experience where guests are known by name and every stay feels tailor-made. This boutique setting creates an atmosphere that is particularly suited to couples, honeymooners, divers and travellers who value privacy and understated luxury.

Spaces that Breathe with the Island

Rather than grand scale, the island offers authenticity and warmth. The simplicity of barefoot living blends seamlessly with refined comfort, creating a unique balance of relaxation and elegance.

V Villas Inspired by Nature and Ocean

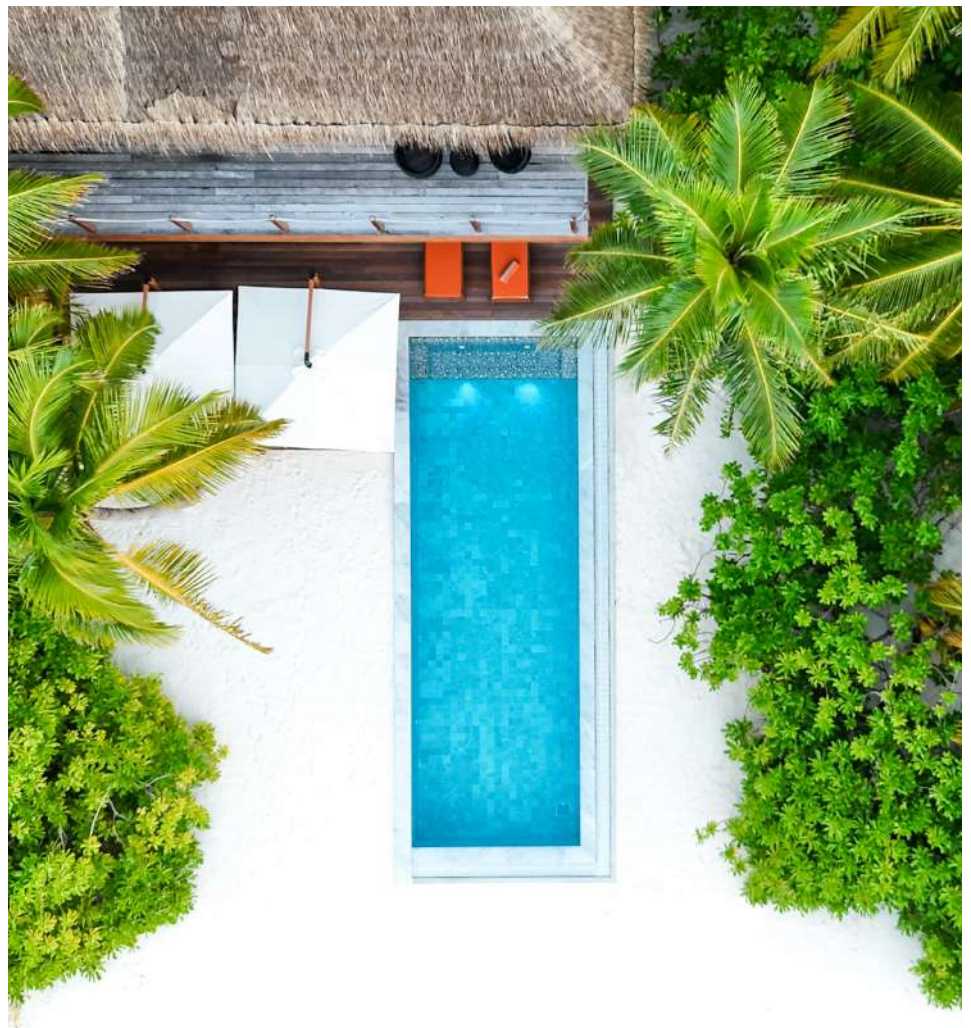

Each villa has been thoughtfully designed using natural materials and soft tones that reflect the surrounding landscape. Interiors feel bright, airy and welcoming, allowing the beauty of the island to remain the centrepiece of every stay.

Villas and Suites

Beach villas are nestled among lush tropical vegetation or positioned directly on the shoreline, offering private terraces and open-air bathrooms that invite guests to experience the Maldives in its purest form. The gentle sound of waves and rustling palms accompanies every morning and evening.

Overwater villas extend gracefully above the lagoon, providing uninterrupted ocean views and direct access to crystal-clear waters. Guests wake to breathtaking sunrises, step from their deck into the sea and fall asleep to the calming rhythm of waves beneath them. Selected villas feature glass floor panels that reveal glimpses of vibrant marine life below.

Culinary Experiences by the Ocean

Dining on the island is intimate, sensory and inspired by global flavours.

Dining Destinations

At Dhonveli Restaurant, guests enjoy international cuisine prepared at live cooking stations in a relaxed setting that evolves throughout the day from breakfast to dinner.

Muraka Restaurant offers a signature overwater dining experience, where fresh seafood and refined international dishes are paired with panoramic sunset views, creating unforgettable evenings above the lagoon.

AKOYA Sea Lounge provides a relaxed social setting for signature cocktails, premium wines and quiet sunset moments overlooking the ocean.

The resort also offers personalised dining experiences that transform special occasions into lasting memories, from private beach dinners beneath the stars to romantic sandbank picnics surrounded by endless blue horizons.

A World-Class Marine Playground

One of the best house reefs in the Maldives

Diving at its best

The island is globally recognised for its exceptional house reef and proximity to some of the Maldives' most celebrated dive sites. The professional dive centre, Ocean-Pro, offers experiences for both beginners and experienced divers.

Guests can encounter whale sharks throughout the year and manta rays during seasonal migrations, while vibrant coral gardens and abundant marine life create extraordinary snorkeling experiences directly from the shore. Night dives and guided excursions reveal an entirely different underwater world, ensuring unforgettable adventures for ocean lovers.

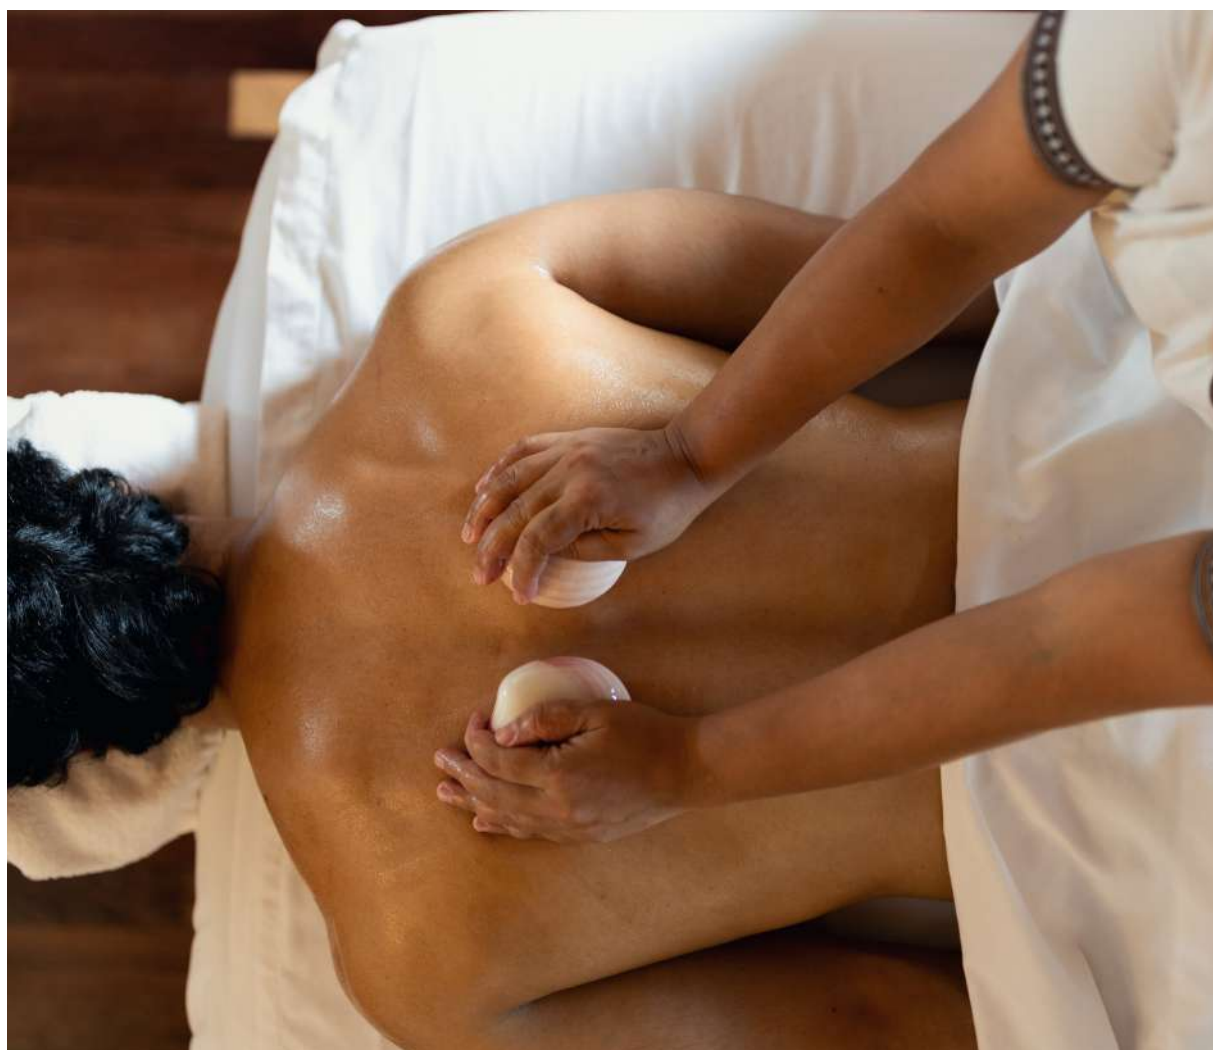

Wellness Above the Lagoon

Wellbeing at the island has evolved into a holistic sanctuary centred around the newly introduced Mirihi Spa, where relaxation, movement and rejuvenation come together in a serene oceanfront setting.

A World of Colours beneath the Surface

The spa offers a curated menu of treatments inspired by natural healing traditions and designed to restore balance to body and mind. Guests can unwind in the sauna, revitalise with an invigorating ice bath and embrace the calming rhythm of island life through daily yoga sessions in the dedicated Yoga Pavilion overlooking the ocean. For those who enjoy staying active, both indoor and outdoor gym facilities provide inspiring spaces for movement and fitness, surrounded by tropical greenery and fresh sea air.

This integrated wellness experience creates a perfect balance between relaxation, vitality and mindful living in the heart of the Maldives.

Experiences tha Enrich Every Stay

Life on the island offers a gentle balance between relaxation and discovery. Guests can set out on dolphin cruises at sunset, explore nearby islands, enjoy cinema evenings under the stars or escape to secluded sandbanks for moments of complete privacy. Each day brings new opportunities to reconnect with nature and with one another.

Mirihi Thari

A traditional-style sailboat chartered exclusively for guests, the Mirihi Thari explores South Ari's vibrant waters in a full-day journey of whale sharks, mantas, turtles, and quiet moments at sea. With curated dining and expert guidance, it is the resort's most immersive expression of discovery.

Commitment to Sustainability

The island continues Mirihi's long-standing dedication to environmental responsibility, ensuring that luxury exists in harmony with nature.

Initiatives focus on reducing single-use plastics, supporting marine conservation and protecting the fragile reef ecosystem, while responsible energy and water management practices safeguard the island's natural beauty for future generations.
