MERRY
Christmas

The image features a vibrant green background with a subtle bokeh effect of white and yellow dots. A string of warm white lights is visible in the top right and bottom left corners. Stylized green leaves are scattered around the edges. The text 'MERRY' is in a bold, white, sans-serif font. Below it, 'Christmas' is written in a large, 3D, golden-brown font where each letter is decorated with different patterns: polka dots, stripes, and small icons like a star and a gift. Two orange reindeer antlers are positioned above the word 'MERRY'.
