FOOD SELECTION INCLUDES

KULA RESTAURANT **The Main-Dining Destination**

The scrumptious breakfast spread will make you think you are still dreaming – fresh fruit platters, juice, pastries & bread straight from the oven offer a lighter choice while eggs prepared any way you like with an array of hot sides and pancakes will fuel you for a day of adventure. These are just some of the delicious items to choose from for your breakfast table sat outside overlooking the lagoon or indoors where the ocean breeze billows through the large doors. For lunch and/or dinner, our permanent live cooking stations include handcrafted pizzas cooked in our authentic Italian pizza oven, fresh cooked pasta station, hand-rolled sushi or fresh cut sashimi bar and mouth-watering bites from our tandoori oven kitchen.

In addition to our live cooking stations, we offer an array of hot international selections including daily changing carving stations and Southeast Asian Cuisine. For cold options, we offer an extensive bar of freshly made salads, fresh fruits, and a cheese and cold cut selection. Be careful not to overindulge, as our hand crafted patisserie selection is the perfect end to any meal.
