

Barceló

HOTEL GROUP

October 5th, 2021

Dear Valued Partner,

We send you a cordial greeting from Barceló Maya Grand Resort, in order to reiterate our commitment and responsibility to reduce any risk to clients and employees, we would like to update you the latest measures that have been implemented at the resort due to the contingency caused by the SARS-COV2 virus (COVID-19) and its consequent conditions.

As a security measure for governments in different countries, travelers must present negative evidence to enter the destination country. In order to make the stay and trip home of our guests more pleasant, Barceló Maya Grand Resort offers the following benefits:

- **On-site PCR testing available.**
- **Discount PCR test price for our guests.**
- **Preferential rates for extended stays due to a positive test result.**

For **discounted on-site PCR testing service**, our guests must get tested at the designated location from 8:00 AM to 4:00 PM. For more info, go with our Guest Service or Premium Level staff.

Costo	General Specifications
PCR Test \$90.5 USD + VAT	<ul style="list-style-type: none">· The sampling takes place in the hotel facilities.· Delivery of results by email from 24 to 36 hrs. after the test.

In the event that guests test positive for COVID-19, **Barceló Maya Grand Resort** offers the following **preferential rate** for travel until December 15th, 2021 (any hotel and room category):

Occupancy	Rate
Adult*	\$65 USD per person per night

* double room

Barceló Hotel Group focus on following the instructions of the authorities to protect the health of guests and employees, the standards included within the **We Care About You** program exceed the regulations and sanitary recommendations of all the countries in which we operate. In this way, to all the security and protection measures that the company already had integrated into its usual protocols, reinforced standards and protocols are constantly updated.

Kind regards,

Stefania Ballotta
Sales & Marketing Director
