Reach your own divinity

Ometeotl in Mexica mythology is the god of creation, he was the first divine manifestation, union and duality...

Thus, **The Reef Resorts & Spas** has created **OMÉ SPA**, a holistic center inspired by our ancestral Aztec heritage and dedicated to the search for balance between our material and immaterial bodies, fusing ancient Mexica rituals with modern massage techniques and treatments for spiritual care.

In **OMÉ SPA** embrace the ancient rituals, revitalize your body and strengthen your spirit... reach your own divinity.
