TOWARD THE SEA...

FIFTY CABANAS ON THE MEDITERRANEAN.

Set on the white-sand shoreline of Ras El Hekma, at the heart of Hyde Park Sea Shore, Makai is an intimate beach retreat built around a single idea the sea. Fifty cabanas open directly onto soft sand and turquoise water, with a 550-metre beach as the resort's quiet centre of gravity.

We've kept Makai deliberately small. Where larger resorts ask you to navigate them, Makai asks only that you slow down. Clean architecture, natural materials and a restrained palette let the coast do the talking. Days move at the pace of the tide from a swim before breakfast to long lunches in the shade, to the last light over the water from your terrace.

THIS IS THE NORTH COAST, DISTILLED: BAREFOOT,
UNHURRIED, AND ORIENTED ENTIRELY TOWARD THE SEA.

STAY | The Cabanas

FIFTY CABANAS, EACH A FEW STEPS FROM THE WATER.

Makai is home to 50 cabanas, offered in two configurations to suit couples, friends and small families alike. Each is a calm, light-filled space framed by the sea — a private terrace, a cool interior, and the shoreline just beyond.

THE SHORE & CLUBHOUSE

A 550-METRE BEACH, AND A POOL THAT MEETS IT.

The beach is the reason Makai exists. Soft white sand, calm Mediterranean water, and loungers arranged for privacy rather than density. A swimming pool sits between the cabanas and the shore, blurring the line between the two so the water is never more than a few steps away.

Whether you want a full day in the sun or a shaded corner with a book, the shore is yours to set the pace.

RESTAURANT · BEACH BAR · POOL BAR

Dining at Makai is ours end to end — operated in-house, with a curated international menu that moves with the day. From first coffee to last cocktail, three settings share one shoreline and one standard.

THE RESTAURANT

The day's table — relaxed, sea-facing, all-day dining. A curated international menu spanning breakfast through dinner, built on quality and consistency rather than borders.

BEACH BAR

Barefoot and sand-side. Cocktails, light plates and slow afternoons, from late morning into the evening.

POOL BAR

Cold drinks and easy bites at the water's edge — refreshment without leaving your lounge.
