

TAPA SAKE

A NEW RHYTHM OF DINING

Tapasake Maldives invites guests into a world where chic design meets exceptional overwater dining, blending the refined elegance of Japanese craftsmanship with the vibrant flavours of Mediterranean cuisine.

Suspended above the water, the restaurant offers an intimate journey of taste; from the theatre of the teppanyaki table and the artistry of the sushi bar to the exclusive private dining that seems to float above the ocean.

Each experience unfolds against a backdrop of uninterrupted horizon views, allowing every sunset to become a breathtaking finale to an unforgettable culinary evening.
