

NOW OPEN · OUR NEW POOL

Our pool has a whole *new splash.*

We're happy to share that our swimming pool at Marina House - MUAYTHAI- Soi Taiad has been fully renewed. It now comes with a set of new facilities built around rest and recovery: hot and cold pools, a jacuzzi, a sauna, a water slide and a poolside bar.

DEAR PARTNERS

Please share this update with your guests, especially **Muay Thai and fitness travellers** who want a place to recover after training.

■ New Main Pool

A long, curving pool lined with palms

■ Hot Pool

32–40 °C, to loosen up tired muscles

■ Cold Plunge

11–15 °C, to cool down fast

■ Jacuzzi

Bubbling water with a cascade spout

■ Sauna

A barrel sauna on the pool terrace

■ Water Slide

A spiral slide straight into the pool

■ Poolside Bar

Drinks ready when training is done

■ Cabanas & Loungers

Striped daybeds and sun loungers

SWIMMING POOL

Everything you need after a hard session

Soak in the hot pool to loosen up, cool down in the cold plunge, or let the jacuzzi do the work. A slide for the days you want to switch off completely, and a poolside bar always ready when the training is done.

HOT POOL

32-40 °C

Loosen up

COLD PLUNGE

11-15 °C

Cool down

JACUZZI

Bubbles

Let it do the work

NEW · SAUNA

Heat it out

Our barrel sauna sits right on the pool terrace, so the cold plunge is only a few steps away.

POOLSIDE BAR & CABANAS

Done training? Drinks are ready.

Grab a drink from the poolside bar, then stretch out in a striped cabana or on a sun lounger.
