A Stay Experience Integrating Art

A stay at Akra Didim is not just a relaxing experience; it's an artistic journey that touches the senses. Priene Houses transforms every detail into art with its elegant architecture and aesthetic touches.

From rooms to lounges, from the beach to special events, every space is designed to touch the soul of our guests.

In these special spaces shaped by the power of art, memories aren't just lived. They leave a mark beyond consciousness and remain as the most beautiful memories.

A Tranquil Experience in the Heart of the Aegean

Ranging from 95 m² to 278 m², Priene Houses are designed with individual concepts specifically for families and adult guests. Each equipped with a private pool, cabana, and spacious living areas, these private living spaces offer a unique experience immersed in nature.

Pet Friendly

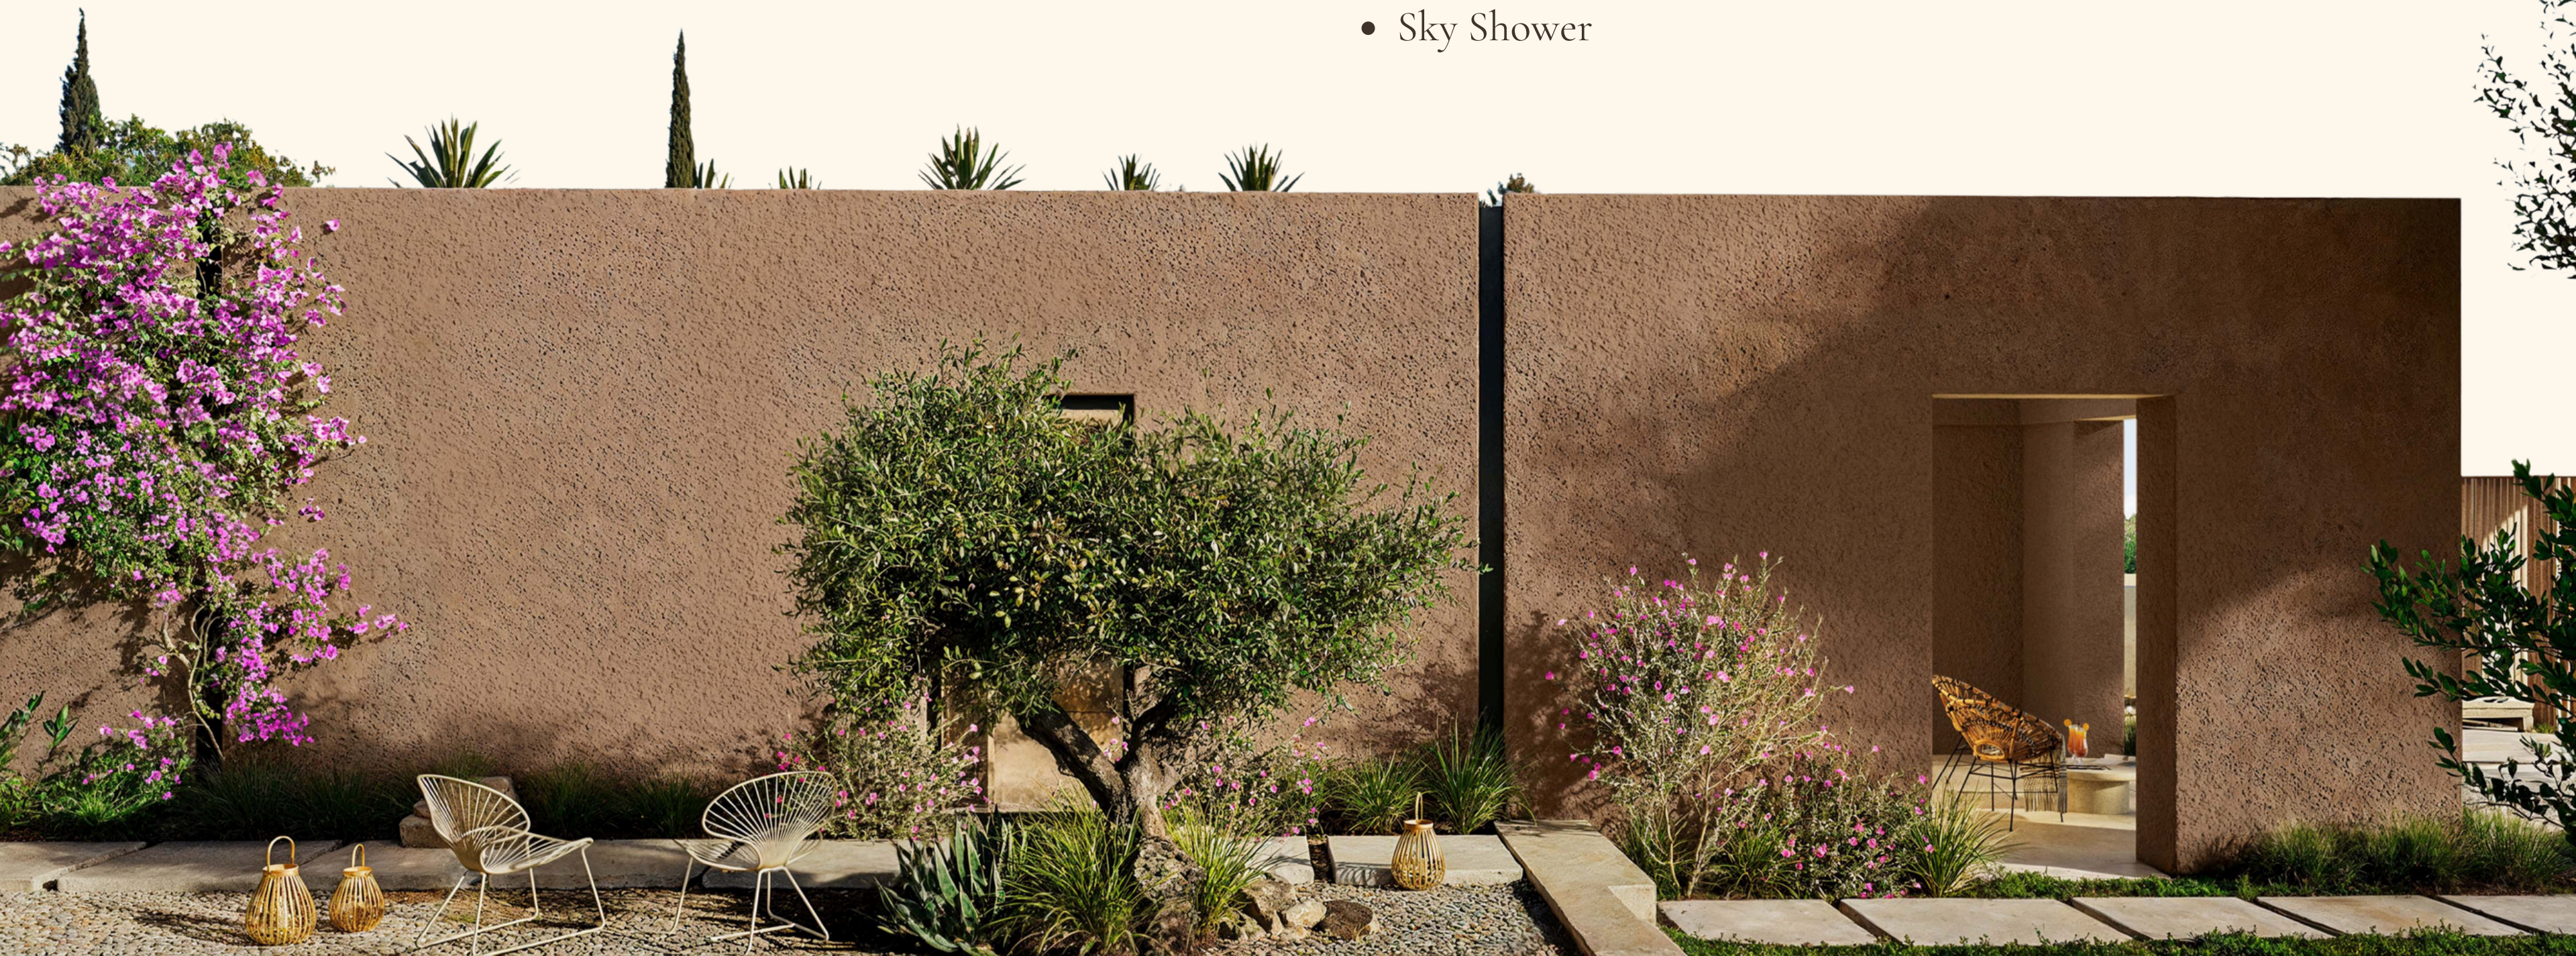

For guests traveling with furry friends, Priene Houses are designed to be pet-friendly.

With a total of 359 rooms, Akra Didim welcomes guests with a diverse range of expectations, lifestyles, and experience quests.

GASTRONOMY

A rich culinary scene awaits you at Akra Didim: from Arasta, an open buffet featuring local specialties, Ocakbaşı, which offers traditional Turkish cuisine, Ocean, which offers international specialties, the open-air Clam & Co., and unique à la carte experiences like Tane, with its authentic village charm. Bafa, with its Aegean flavors and stylish bars and cafes like Champion Sports Bar, the stylish Jazz Bar, and the relaxed Başka Ol Book & Bicycle Café, complements these culinary delights.

SARNIÇ SPA & WELLNESS

Designed for those seeking rejuvenation, the 1,800-square-meter spa and wellness center stands out with its peaceful atmosphere, nestled within nature. Blending traditional and modern therapies, guests will rediscover themselves with Watsu treatments, thalasso pools, a Kneipp walking path, vitality pools, and diving pools.

ART & CULTURE VILLAGE

We're redefining the kids' club with a new concept:
"Arts and Culture Village."

Children connect with each other through activities like sculpture, painting, music, and various nature workshops.
