UNDER THE SEA

Season's Greetings

Dear Guests,

Welcome to your island home.

There is something rather special about being on a little island in the middle of the Indian Ocean at this time of year.

Over the days ahead, we will light our festive tree, welcome Santa to the beach, gather around tables, dance under the stars and perhaps discover a little magic beneath the sea along the way.

But the best part of the festive season is much simpler – having time. Time to laugh, eat well, swim, celebrate and, most importantly, enjoy the people you came here with.

Our team has put an enormous amount of heart into what lies ahead, and we hope you will join in as much – or as little – as you please.

For now, settle in, kick off your shoes and enjoy the island.

We are very happy to have you here.

Warmest wishes,

Marc Reader
General Manager
