PHU QUOC ISLAND

PHU QUOC ISLAND VIETNAM

Phu Quoc - The Pearl Island of Asia - is the largest island in Vietnam, located in the Gulf of Thailand, 45km West of Ha Tien and 15km south of the coast of Cambodia and is a part of Kien Giang Province as Phu Quoc District. Phu Quoc Island has a total area of 574 square kilometers (222 sqm) and a permanent population of approximately 85,000. Phu Quoc island is no lightweight: at 48km long and has about the same size as Singapore.

The district of Phu Quoc includes the island proper and 21 smaller islets. The district seat, Duong Dong, located on the west coast, is also the largest town on the island. The economy is centered on fishing, agriculture and a fast-growing tourism sector.

By 2020, Phu Quoc becomes the island marine ecological tourist city at a high level, competitiveness and the ability to connect with other countries in the world.

MANGO GARDEN

Essential

Qi is another word for energy, but not just energy in the way we simply describe it - it's the vital life force behind our body's entire element. When our Qi is in balance, we feel vibrantly unburdened - wellness at its best.

We hope to rebalance your Qi during your stay with us by nourishing your body and harmonizing with your environment

At **Qi'sense spa** we approach balancing Qi energy flow through therapeutic means.

Massage therapy is the manual manipulation of the body's soft tissue, encouraging circulation to release blockages and improve Qi movement.

Whether it is through relaxation massage for stress relief or rehabilitative massage for pain relief, you will find when the mind moves out of the way, the body will relax and heal. Our professional therapists from Vietnam, Thailand and India are here to rejuvenate you with Ayurveda medicine and East healing techniques.

Qi'nesis is our program of meditative and physical activation of Qi energy.

The following classes will bring a lightness and efficiency of movement Qi.

Meditation, Yoga, Fitness, Garden walks, Cycling, Eco-art therapy.

Qi'vital aims to promote Intuitive nourishment and natural restoration of Qi energy.

When we understand our nutritional needs in a more holistic and energy based way, it provides a good foundation for us to be comfortable and confident in our eating choices, wherever we are. Food should be used as tonic providing a source of equilibrium for the smooth flow of Qi energy.
