Subject: Important Dining Update for Our Guests at Kempinski Seychelles Resort Baie Lazare

Dear Valued Partners,

Greetings from the tropical paradise of Baie Lazare.

At Kempinski Seychelles Resort, we are constantly striving to elevate the guest experience and deliver the highest standard of European luxury. With this in mind, we are pleased to share an exciting update regarding our culinary offerings that will enhance the stay of our guests booked on our Half Board package.

Introducing an Elevated Beachfront Dining Experience

Beginning Sunday 5 July 2026, the evening dining experience for Half Board guests will transition from a traditional buffet to an intimate, special à la carte beachfront experience at our Windsong Restaurant.

What this means for our guests:

- **À La Carte Excellence:** Instead of a buffet, guests will indulge in a curated, special dinner menu meticulously crafted by our chefs, served right by the ocean shore.
- **Leisurely Evenings:** To ensure a relaxed, unhurried dining pace amid the Seychellois night breeze, Windsong Restaurant will remain open for dining until 10:00pm.
- **Personalized Luxury:** This transition allows us to offer a more bespoke, intimate culinary journey that aligns with the expectations of discerning luxury travelers.

How You Can Assist Guests: To ensure a seamless transition and secure their preferred dining times, we kindly ask that you inform your currently booked guests of this enhancement.

Action Required: Please share any specific dietary requirements, allergies, or preferred dining time slots with our team ahead of your guests' arrival. You or your guests can coordinate these details directly by replying to this email or contacting our Lady in Red team.

We deeply appreciate your continued partnership and support in creating unforgettable memories for our mutual guests. Should you have any questions regarding this update, please do not hesitate to reach out.

Warm regards,

The Management Team
