maai spa

The Silk Journey

Maai is inspired by the beautiful transformation of the silkworm, known as the "Nhon Maai", which lives on nutritionally rich Mulberry leaves. They create and then wrap their Rang Maai cocoons in a soft silken fabric known as Pui Maai, that provides warmth and protection from the elements. Through a transformative process of love and care, the Nhon Maai emerges from their silken Pui Maai as an elegant butterfly.
