Subject: Notification of Nearby Hotel Renovation

Dear Valued Travel Partners,

We would like to inform you that a neighboring hotel will be undergoing renovation for approximately six (6) months, from May to October 2026.

Please note that the side of our property that may be affected is Building 1 and Building 2, which accommodate the following room types: Leisure Pool View, Deluxe Partial Sea View, and Deluxe Pool Access.

During this period, there may be occasional noise or minor disturbances during daytime working hours. Kindly be assured that the renovation is not taking place within our property, and we remain fully committed to maintaining the comfort and quality of our guests' stay.

We will continue to monitor the situation closely and will do our best to minimize any potential impact.

Should you require any further information or assistance, please do not hesitate to contact us.

Thank you very much for your continued support.

Best regards,

Management team
