

Dear Guest,

This service is provided so that you can enjoy your holiday without being separated from your pet. In order to ensure the comfort and satisfaction of all our guests, certain rules and conditions have been established. Please read them carefully. If these conditions are not suitable for you, please do not use the pet accommodation service at our hotel.

**Permitted Areas:**

**At Corendon Hydros Club Kemer, pets are only allowed in two designated areas:**

- 1. Your room,**
- 2. The large green garden located between Block A and Block B. Pets are strictly prohibited in all other areas of the property, regardless of whether they are carried in a bag/cage or in arms. Pets must be walked on a leash at all times. Letting them roam freely or leaving them tied up unattended is strictly prohibited. Pet owners are responsible for cleaning up after their pets. During walks, guests must carry waste bags provided by the hotel.**

- You are expected to provide complete and accurate information during the reservation process.
- The daily pet accommodation fee is €20.
- A valid vaccination record must be presented at check-in.
- The number of pets allowed on the same dates is limited. The hotel management reserves the right not to accept pet reservations in certain cases for capacity management.
- Only one pet is allowed per room. Multiple pets in the same room are not permitted.
- There is a weight limit: pets up to 10 kg are accepted.
- While you are in areas where pets are not allowed, your pet must remain in your room. Pets must never be left alone outside the room, including in permitted garden areas.
- The only walking area is the large green garden between Block A and Block B.
- Pets that pose a threat to other guests or display aggressive behavior may have their stay terminated or be removed from the property at the discretion of hotel management.
- Room cleaning services will not be provided while the pet is free in the room. For cleaning, the pet must be in a cage/bag and the owner must be present.
- **In case of violation of these rules, the hotel management reserves the right to terminate the stay unilaterally and remove the guest from the property.**
