THE SPA

Reward yourself with a tranquil journey to a calming paradise. The Spa at Diamond Hotel Baku is a sanctuary where relaxation meets whole - body wellness. And wellness brings harmony.

Where highly trained therapists, stylists, aestheticians and staff provide luxurious treatments for the mind, body and spirit. Customized to your individual needs and desires. Because we believe when you reward the senses, you revive the soul.

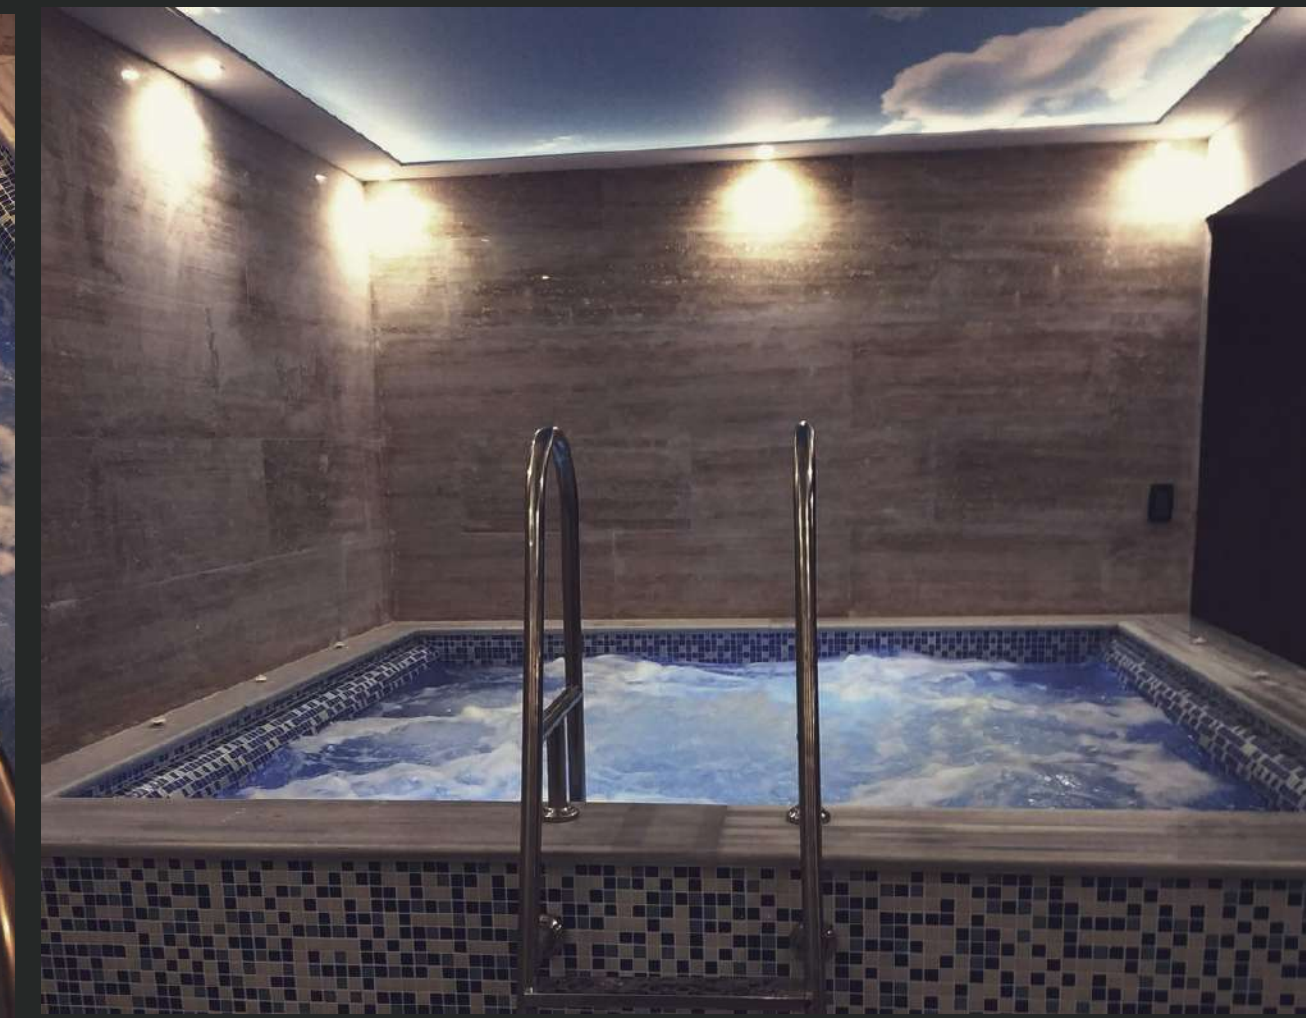

If you need to de - stress, crave an energy boost or just want to treat yourself and be pampered, time to Spa can become your escape to peaceful bliss.

FITNESS

Fitness is an important component of overall health. Staying in shape lets your body's systems accomplish their jobs more efficiently, and you'll look and feel better, too.

Fitness, or exercise, is a key consideration for maintaining good health. Along with healthy eating, it's one of the most important things a person can do to keep a healthy weight and prevent a number of chronic health problems.

In addition, people of all ages and all ability levels can benefit from increased fitness levels. Even those with limited mobility can find ways to incorporate more fitness into their daily lives.

Meetings and Events

Diamond Restaurant

The place where everyone gathers and the place to meet for a glass of Champagne, wine or beer, or to sip an aperitif or classic cocktail and will find wide menu to choose from. In the Diamond's Lobby bar everyone should feel welcome, the locals and hotel guests, the after workers and friends, the bar is the start as well as the end of a lovely festive evening.

See you there!
