(4) The one-of-a-kind bar where you'll be served drinks on a life-size model yacht. (5) Seven restaurants within the complex with an array of options so you can savour cuisine of every type imaginable. (6) The peace and quiet of a hotel exclusively for adults with a butler and concierge service. (7) And finally, the chance to play golf on an 18-hole course designed by the famous architect P.B.
