

# Escape to paradise

Did you know that the UNESCO has recognised Playa Bávaro as one of the best beaches in the world?

The Iberostar Dominicana brings you up close to the natural paradise that is Punta Cana: overlooking the sea, surrounded by lush gardens and designed with the entire family in mind. The little ones will have a blast with the array of activities on offer at our Star Camp, with its own pool and play park, whilst grown-ups can discover the benefits of the Aliveness programme. We invite you to reconnect with your inner self at our luxury Spa and stay in shape at our fitness centre or the 18-hole golf course, renowned in the area and designed by P.B. Dye. The entire family will enjoy the best gastronomy on offer, with options for all tastes at six themed restaurants, two buffets and seven bars.

A word of advice? Before you go home, make sure you visit our coral laboratory. Our very own Noah’s arch, discover how we are working to protect these marvellous ecosystems.
