

# Endless possibilities for the entire family at Playa Bávaro

Did you know that the turquoise colour of the Caribbean sea is unique in the world? It's all down to its cleanliness, depth and the physics behind the scattering of the light.

Discover it for yourself at the Iberostar Selection Bavaro: a 5-star hotel overlooking the white sandy beach of Playa Bávaro that spans 15 km. This truly unique resort inspired by authentic Caribbean villages features rooms equipped for the whole family and is nestled among tropical greenery. Stay in shape at our sports facilities, including a fitness centre across 3 floors. You'll be spoilt for choice with the array of cuisine on offer at more than 12 different restaurants, plus our SPA *Sensations* with 21 massage therapy rooms. And the youngest members of the family are sure to have a blast at our new Star Camp: while they discover its wide selection of fun-filled activities, why not play a round of golf on our 18-hole course, renowned in the area and designed by P.B. Dye.

Looking for an extra-special experience? Discover our coral nursery, which is part of our Wave of Change movement and is helping us to understand and protect these vital ecosystems.
