RIMBA Jimbaran BALI by AYANA
 This 8 hectare resort has beautiful gardens and over one hectare of pools and ponds, so it feels like an oasis in a serene forest. The sustainable design is based on the Balinese philosophy 'tri hita karana' which means the harmonious balance between God, human and nature.

* Last order for each restaurant is 30 minutes before closing time.
 * All non-smoking restaurants provide an outdoor smoking area.
 Thank you for your understanding and cooperation.

HERMES MARINS BALI

At AYANA and RIMBA, the renowned French Thermes Marins Spa is at your doorstep. At the spa, you will be introduced to our highly popular menus among our famed treatments, which combine the latest cutting-edge technology with Balinese traditions.

TOP 5 POPULAR SPA MENUS

1 Back to Nature

In addition to the Aromatic Petal Massage that uses oil and flower petals, we have an AYANA facial that uses fresh vegetables, fruits, and yogurt, among other natural ingredients. Treat your body and face with the touch of nature they deserve.

Healing rooms are highly popular!

*RIMBA Treatment. Limited time only.

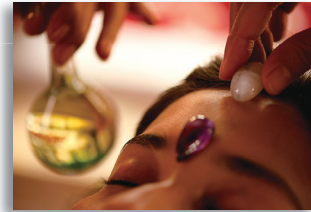

2 Aquatonic Pool

The all-time popular Aquatonic Pool, reputedly the world's largest, contains 700 million liters of water directly supplied from the underlying Indian Ocean and warmed to optimum temperatures to relax your mind and body. There are 12 stations in the pool, including water jets positioned at varying heights and pressures.

3 Seven Chakra Dhara

A massage for deep relaxation by working on the 7 energy centers, known as chakras, along the centerline of the human body. The combination of gemstones placed on each chakra, as well as the uniquely blended aromatherapy oil helps to relax your body and renew your spirit.

4 Renewing Body Massage

An oil-free full body massage focusing on detoxification and using special pressure techniques for relieving muscle aches, body slimming and lymphatic drainage. In addition to soothing headaches, it is also popular for relieving fatigue and tension caused by prolonged use of smartphones and computers.

5 AYANA Fusion

Restore your health effectively with a herbal body wrap, followed by a full body massage using steamed herbal pouches. In addition to the efficacy of the natural herbs, a massage technique using acupressure, stretching and palm pressure will gradually relax your tense muscles, warm your body core and activate your mind and body. Many customers are more than satisfied with the results.

Spa On The Rocks

NEW Jade Sensation

Discover the secrets of beauty with jade, a precious natural stone known for its healing properties. This 90-minute treatment detoxifies as well as balances your mind and body, bringing you deep relaxation. Starting with a tension-relieving foot bath, the reflexology serves to eliminate your daily fatigue by working on the 24 pressure points on your feet. Experience a Swedish deep pressure body massage complemented with hot and cold jade stones, designed to re-energize your body and mind.

NEW Dazzling Pearl

Golden Pearls: what better way to pamper yourself than with one of the world's most luscious elements, in the world's most breathtaking setting. Experience 90 minutes of float-away bliss with the ultra-indulgent Golden Pearl treatment at our luxury spa resort in Bali. Your dream experience starts with a therapeutic foot soak, Wild Harvested Pearl Body Scrub and ends with Balinese Massage using oils bound with elements of silk and pearl.

GENERAL INFORMATION

How to visit Rock Bar, BALI

As hotel guests, you will be ushered to priority seating when you make table reservations from the Villas, AYANA and RIMBA. Guests staying at the Villas, AYANA and RIMBA are invited to use the priority queue inclinator. At the gondola platform, please state your name and room number to the person-in-charge and you will be directed to the entrance queue on the right-hand side. Since it will be crowded in the evening, you are advised to arrive early. Dress code is smart casual. Please refrain from wearing tank tops, running shirts, surfing pants, beach sandals and alcohol-branded attire. For security reasons, please do not bring along your backpack.

Taking care of your valuables

In order for you to enjoy your stay at the resort with peace of mind, please keep your valuables in the safe in your guest room or at the front desk. Any expenditure for restaurants, spas, poolside food and beverages and shopping in all hotel venues will be charged to your room based on your signature acknowledgement. Payment by cash or card at these attractions is not required. All charges during your stay can be settled upon check-out (we can also split the bills amongst your stay-in guests). In addition, we will require you to show your credit card upon check-in as a guarantee of settlement for your room charges.

How to pass your time before and after check-in

There are separate male and female shower rooms (towels, hair dryers, shampoo, full set of lockers) at AYANA Spa (Thermes Marins Bali) and RIMBA fitness gym for the resort's pool-users and beach-goers.

Payment in the resort

In accordance with the new Indonesian law from 1 July 2015, foreign currency payments will not be accepted. Cash payment in shops and facilities in the resort and optional tours shall be in Indonesian Rupiah. Money changers and ATMs are available. Room charges shall be settled either by cash or by credit cards in Indonesian Rupiah. Money changers can be found at the end of AYANA Lobby and in RIMBA shops. ATMs are located beside AYANA Business Centre and RIMBA shops.

Between AYANA, RIMBA and Villas

Free shuttle buses are available within the resort at 10-minute intervals. Guests staying at AYANA, RIMBA and Villas may use the swimming pools, restaurants, and boutiques on a cash-free basis, as the charges will be billed to room.

Kubu Beach

The resort's private Kubu Beach is open from 9:00 to 17:00. Guests may use the shuttle buses within the resort to access the beach. However, depending on sea conditions, swimming may be prohibited. Please check with our staff after it opens at 9:00. After alighting from the bus, you may use the inclinator instead of the stairs to access the beach. Please enjoy the food and beverages provided by our new Kubu Beach Club open for snacks, drinks, lunch and dinner. Towels are also available at the beach.

Guest Relations staff direct line

Our Guest Relations staff are on standby at both AYANA and RIMBA to assist with any request or inquiry. Simply dial 41 or 46 at AYANA, or 84 or 86 at RIMBA.

RESORT MAP

With its vast land and abundant facilities, you can look forward to a luxurious time at the largest resort in Bali. Get ready to step into beautiful nature with this map in your hands. How about a stroll in the forest as you breathe in the fresh air, or a walk by the azure sea as it glitters under the tropical sun? Along the way, you can enjoy our many award-winning spas, shops and restaurants.

STAFF RECOMMENDATION

Our dedicated staff are eager to provide recommendations to all our guests. They may say, "Please do try this cuisine!"

[Rooftop Spa] Spa of Nature

Located at RIMBA, the rooftop spa is designed to bring you back to nature with a soothing themed interior that evokes a warm feeling. Back To Nature, a 100-minute body and facial treatment, is popular for its natural approach in caring for your delicate skin. Refresh your body and mind with the 60-minute Aromatic Petal Massage, which makes your skin more radiant and firmer than ever.

[Kubu Beach Club] Now open!

The new Kubu Beach Club, which opened in June 2017, is styled after Kuta in the 1960s. Use the inclinator instead of the stairs for easy access. In addition to the comfortable facilities, food and beverages are also available at the restaurant or beach bar.

[PADI] Asian Cuisine

Lober nasi goreng, a luxury in Bali, is not to be missed. Garnish it with sambal to the spiciness you like. The artistically cooked Pad Thai omelette (Thai-style fried noodles) is also a popular dish.

[HONZEN] Teppanyaki and Sushi

Nothing beats the enjoyment of the unparalleled teppanyaki performance during your meal on a special day. You will indeed have an enjoyable time. Sushi and sashimi prepared using fresh seafood are also very popular. The taste is exceptional when you dine on delicious Japanese food served in our tranquil dining room or private VIP room. We also recommend that you relax by tucking into the sushi bar at the counter.

[AH YAT ABALONE] SEAFOOD

Chinese stir-fried beef and lobster sashimi Chinese stir-fried beef using soft beef prepared in a sweet sauce with onions is popular among many customers. You may also enjoy fresh lobster sashimi with a wasabi soy sauce.

[FOREST BAR] RIMBA EAST

Opened on 23 December 2016, RIMBA EAST now has 120 rooms. It is characterized by a mind-calming design based on "Return to Nature", a theme that is said to be the essence of RIMBA. Be with nature as you take in the interiors with their motifs inspired by nature, yet featuring unique colors perfect for a resort surrounded by a beautiful forest! In addition to the guest rooms, FOREST BAR is now open for guests to enjoy light drinks and snacks at the shimmering poolside.

[TSUJIRI] Indulge in Matcha Desserts

With many outlets in Japan, Tsujiri is expanding their premium brand overseas. Savor authentic matcha at AYANA's lovely Damar Terrace. Recommended menus include soybean rice dumplings, matcha chiffon cake, and drink sets (three types) with a Japanese cake platter and your choice of four types of savory desserts, among others. Matcha parfait is also a signature recommendation.

[ORCHID] A lovely café surrounded by orchids

ORCHID is a contemporary café housed within a stunning glass house, surrounded by the gardens of RIMBA. Inside the café, you'll find dozens of fully blossoming orchid flowers and lush greenery. It is air-conditioned as well for comfort. Savor the specialty cakes, chocolate pralines and signature drinks. Afternoon tea is from 14:00 to 17:00.
