

COIN DE MIRE ATTITUDE

This is the perfect starting point for exploring Mauritius island.

FACTSHEET

2021-2022 • Applicable as from 1st November 2021 to 31st October 2022

POSITIONING

The 3*+ Coin de Mire Attitude sits at the northern tip of Mauritius, between the fishing village of Cap Malheureux and the lively seaside resort of Grand Baie.

Across the road from the beach, the hotel gazes out over the majestic rock, Coin de Mire, sitting on the horizon. The look and feel of the hotel is very Mauritian, with thatched roofs, rattan furniture and a coastal colour palette. Outside, coconut trees, filaos and bougainvillea decorate the garden. There are 122 rooms, with some specially designed for families.

The kind and caring staff, known as Family Members, welcome couples, solo travellers and families to this homely hotel. Holidays at Coin de Mire Attitude are a real mix between adventure and relaxation. It's a fantastic base for exploring. Guests can discover the north coast by bike, try an Otentik experience like dining in a local family's home, or kick back and unwind in the new Spa POZ. There's also the Ayo le Dodo kids' club for little ones and local flavours await at the authentic Mauritian restaurant, Kot Nou.

3*+ HOTEL

Coin de Mire Attitude is part of Attitude Hotels' Positive Impact movement, creating a future where travel benefits all. Because of the hotel's continued efforts to care for the local community, protect the environment and support the local economy, Coin de Mire Attitude has been awarded a Travelife Gold certification. There is no single-use plastic in the guest journey. Supplies and products are local wherever possible. The hotel has also its own Bulk Shop, where guests can help themselves to tea and coffee for their room in reusable glass jars.

Positive impact

Now is the time for action. For positivity. To create a **future where travel benefits all**.

There is always room to grow, new goals to achieve, so Attitude Hotels has launched a **Positive Impact movement**. We're joining forces with our business partners and our guests to form a collective force for good.

OUR 3 COMMITMENTS

We protect
our environment

We support
the local economy

We care about the
local community

To commit ourselves is important, but to act is even better! We have removed **single-use plastic** in our guest experience, and introduced a **Bulk Shop** so guests can help themselves to tea and coffee for their room in reusable glass jars. We use **seasonal and locally-grown produce** for our dining wherever possible; and only offer **non-motorised watersports** for a peaceful and marine-friendly experience.

We also encourage guests to learn about the island's culture through our **Otentik (authentic) experiences**. This could be having dinner with a local family; meeting locals in fishing villages where time seems to have stood still; or discovering the eclectic street food scene in the capital of Port Louis.

When our guests relax in their Attitude hotel, they can unwind in beautiful spaces with furniture and decorations made right here on the island, **helping support our local economy**.
