# The Plantation Club

The Plantation Club is designed after the French colonial architectural style. It possesses a room hosting exclusive tastings that tell the story of the island sugar cane culture.

The Plantation Club features a private pool, outdoor bar, and lounge area nestled away in a tropical garden overlooking Mauritius sugar cane fields and mountains.

### EXCLUSIVELY FOR CLUB MEMBERS

During the day, The Plantation Club is a private lounge reserved for guests staying in Junior Suites. Guests can enjoy breakfast with all-day hot beverages, soft drinks, juices, teas and snacks (canapés, fruit brochettes, etc.).

Traditional afternoon tea is served with cakes, cookies and selected pastries. Cocktail hour beverages include wine by the glass, local beers and cocktails and are served with hot and cold canapés.

### AVAILABLE TO ALL GUESTS

In the evening, The Plantation Club opens for dinner to all guests and transforms into a fine-dining restaurant serving modern Mauritian cuisine using the island's abundant produce to create an impeccable dining experience.
