MAURITIUS BEACH RESORT

OUTRIGGER

A masterpiece of nature.

At OUTRIGGER Mauritius Beach Resort, each day begins and ends with a spectacular light show as nature graces every exquisite guest room and suite with a radiant sunrise and stunning sunset. Nature's bounty extends to island harvests and fresh catch from the sea, transformed by our talented chefs in a range of global cuisines. And our diverse spa therapies and sun-blessed outdoor activities are natural remedies that enliven body and spirit.

Featured Signature Experiences

KITESURFING

Grab a board and fly high with Mauritius' favorite water sport. A visit to the island is not complete until you've felt the rush of wind and thrill of skimming across the open sea.

RUM ROOM

Aficionados praise the island's rum for its exceptional high quality and freshness of its infusions. Experience the history and taste of iconic Mauritian Rum.

SEGA DANCE PERFORMANCE

The music began as a folkloric custom, but the rattle and goatskin drum-driven music still has a very danceable place in today's island scene. For a traditional-meets-modern take, toast the sunset at the seaside resort bar with a Rum cocktail and the rhythms of Segá.
