What is CampCation?

CampCation is a weekly summer camp program for kids between 4 and 12 years old. This year, the program will take place from 29th July to 31st August. The classes start early in the morning until the lunch break, continues with afternoon sessions and ends with a family activity in the evening.

FROM GRADUATE CAMPERS & PARENTS

Leon

"The best thing about CampCation is the fun I had with the other kids and the amazing new friends I made. Also in the kitchen I enjoyed decorating the cakes and making cookies. I really loved the outdoor cinema and bonfire on Wednesday. The best part was when we went on bat patrol at night."

Rupert

"The best thing about CampCation is making new friends and ready to be back to school. I enjoyed the launch section and the mini sub was amazing because I got to see how beautiful it is under the sea."

Lilia

"Football everyday is the best. I loved medical center where we got to listen to each other's heartbeats. During swimming I got better thanks to the teachers."

Fidel

"The best thing of CampCation is the football every afternoon. I also liked visiting the Housekeeping department. I kind of know how to make a monkey with towel art."

Amaya & Zahara

"The best thing about CampCation was an amazing experience and having fun with other kids. Swimming with Felicity was amazing and we have learned so much. Visiting the spa to do braids and colour nails was fun. We loved dancing with Miss Emma was cool."

Zoe

"Dancing with Ms. Emma and Angel was awesome. We learned how to dance with our group for the talent show on the graduation night. In the kitchen we made cookies and pizza and had lots of fun. I did not want to leave CampCation."

THE PARENTS ALSO HAD SOMETHING TO SAY..

"We appreciate all the hard work creating such a memorable time for our children. A great time for not just children but parents as well."

"Very well organised. A lot of interesting activities for the kids. Nice, helpful staff. The swimming and dance classes were very fun and little hoteliers programme was a good way to teach the kids about hospitality."
