# HYDRODASH

Dash. Slide. Leap. Repeat.

# HYDRODASH

Opened in 2020, HydroDash is Singapore's first and only floating aqua park where everyone can climb, slide, leap, bounce and splash. The inflatable water playground features an obstacle course of varying difficulty levels for participants to build their water confidence, develop motor skills and have a splashing good time!

Experience Flip, a free-floating catapult on the water where players can jump on and catapult each other into the air or take on the Action Tower XXL, a challenging high obstacle float which players can climb, crawl, hang, slide and jump off into the sea.

With its wide and zonal layout, HydroDash is also the perfect option for groups who are looking for a unique and high adrenaline team building activity.

# SPLASH TRIBE

Joyful Splashes Of Life

# SPLASH TRIBE

Splash Tribe is the first-of-its-kind beach club in Singapore. Designed with the whole family in mind, the sandcastle-themed water play zone will keep young ones busy with splashing fun, while parents can lounge poolside to relish island vibes.

Equipped with family-friendly kiddie racer slides and a fully covered spiral slide, parents and young children can ride down together to experience the thrills of an ultimate family day out. Toddlers can have their share of fun at a special zone catered for their age group, while parents chill at the in-water sun loungers over at the infinity-edge pool. Two-storey gazebos are available for a sweeping view of the beach and an added touch of exclusivity.

Families can delight in delectable fare such as grilled seafood, burgers, flatbreads and desserts, all thoughtfully designed for sharing and munching by the pool. An extensive selection of tipples and non-alcoholic concoctions provide refreshing beverages to fuel the joyful moments.
