DINING GUIDE

TROPICAL FEASTS BY THE COAST.

Embrace an explosion of spice, colour and taste at Anantara Kalutara Resort. Revel in authentic global and local flavours at our dining destinations, from the relaxed pool bar to the exquisite Italian restaurant, each a celebration of inimitably delicious island life.

With over 30 years of experience in hospitality, Chef Stefan Beutler has worked with major luxury hotels in numerous locations across the globe. He first began his culinary journey in 1989 where he gradually rose within the ranks to successfully become an Executive Chef. His most recent position was Executive Chef in Dubai's iconic Desert Palm Hotel.

An aerial photograph of a tropical resort. The resort features several large buildings with prominent red-tiled roofs, surrounded by lush greenery and palm trees. The buildings are situated on a peninsula or island that juts into a large, calm body of water. The water reflects the sky and the surrounding landscape. In the foreground, there is a dense forest of palm trees. The overall scene is peaceful and scenic, typical of a tropical vacation spot.
