

WEDDING

AT THE SURIN PHUKET

THE SURIN
PHUKET

The Surin Phuket offers the perfect idyllic backdrop for a stunning tropical island wedding. Say “I Do” on a secluded beach against an outstanding sunset or the turquoise waters of the Andaman Sea.

The perfect beach wedding is possible at The Surin Phuket. Exchange vows on the powdery sands of Pansea Beach, in an intimate, romantic wedding ceremony.

Alternatively, celebrate your special day with a Thai Wedding Ceremony. The groom will be accompanied by a long drum procession on the way to meet his bride. Once together, the couple has the good fortune of being blessed by Buddhist monks. The ceremony ends with a traditional water pouring ritual from the family and wedding guests.

The Surin Phuket is able to accommodate up to 120 guests. Our team is delighted to personalize all arrangements based on your specific wedding day wants and needs.
