## **Open Lobby:**

The Holiday Inn open lobby concept; reception, lobby, restaurant, bar, rest room and the business center coming all together in one place devastates the heavy and classic hotel lobby image, gives the hotel design a modern touch and serves the guests a unique hotel experience.

Holiday Inn open lobby is a convenient and comfortable area where you can feel yourself like you are at home . A space where you can eat, drink, work, relax or just get in contact and socialize with other guests is waiting for you!

## **Reception**

A place which is more a consultation for you than a barrier with a spacious and warm layout and friendly staff who are looking forward to assist you with further information about your trip. Our smiling exquisite personnel is at your service 24/7 with quick check-in and check-out procedures.

## **Media Lounge**

Our Media Lounge with comfortable couches, TV's, magazines and newspapers looks rather like your living room than a hotel lobby! Here you can watch your favourite TV programmes, read a book or take a drink and merge with other people. Either with your friends or alone, with the flatscreen TV's in our lobby where you can transfer your visuals via a media panel for your laptop or your smartphone.

## **Popup Lounge**

A multifunctional place for you; with our stylish couches and Apple TV, by drawing the curtain it can turn into a meeting room, a theatre or a more private spot for you to relax. A space where you can meet your friends and chat, take a glance at the daily newspapers, surf online using our free WiFi, relax, come together and have fun.

## **E-Bar**

A place to play and work with pc's, online connection, wireless printers and a lot of plugs for your own laptops. With it's free WiFi all over the lobby and plenty of sockets the E-bar is a place for you to prefer for working and surfing. Our E-bar eases everything from controlling your e-mails, contacting

your friends via Skype to printing out your flight tickets. The special designed E-bar with it's Apple iMac, wireless printers, plenty sockets and free WiFi and working place is at your service.

### **To Go Café**

Our stylish bar in the centre of the Open Lobby; you can enjoy the Starbucks coffee, tea, and other non-alcoholic beverages and from breakfast pastry and cakes to different hot and cold served snacks and a lot more different food and beverage services. It gives you, our dear guests, the chance to grab your morning coffee without leaving the hotel or buying your favourite foods at lunch time or at night. At the To Go Cafe you can have your package order, we can inform you by calling when your meal is ready, you can have your hot meal at the lobby or back in your room or on the way. A food of great quality just a phone call away!

### **Game Zone**

Having a bit fun after an intense day, taking a break during a meeting or while you are waiting for your taxi you can spend your time here, play some games and relax. A great opportunity to meet other guests, family members or friends! Different games for your choice are waiting for you: Play Station 4, Jenga, Chess, Tabu, Monopoly and a lot more.
