The city of Dubai is the second largest emirate in the United Arab Emirates. Its year-round sunshine, couple with an unprecedented level of investment and a luxurious lifestyle, has not only turned it into a popular tourist destination, but also an essential place to do business. Dubai offers an unparalleled quality of life in a virtually crime-free, tolerant society; world-class hotels and entertainment facilities; enviable sports and leisure; and excellent value shopping all of which combine to make living and working in Dubai a pleasure.
