### OVERVIEW

Timeless Arabian charms at The Chedi Al Bait now include our new extension Bait Khalid bin Ibrahim at The Serai Wing, impeccably designed as two distinct houses, to delight families and groups seeking private luxury accommodations with the utmost comforts and dedicated service.

Khalid Ibrahim House 1 and 2, along with a charming café, sit within the hundred-year-old former home of Khalid Bin Ibrahim.

Khalid Ibrahim House 1 offers two Jacuzzis, five generous bedrooms, plus one suite, all overlooking the private, temperature-controlled swimming pool.

Khalid Ibrahim House 2 boasts the duplex Khalid Ibrahim Grand Suite, its colossal windows angled over the stunning swimming pool, plus four additional bedrooms and one suite. Within its tranquil surroundings also sit an exclusive private space that can be turned into The Movement Studio as well as a private lounge and dining room ideal for festive gatherings.

Just 12 stunningly modern accommodations are housed within this duo of -100-year-old heritage structures, making the Khalid Ibrahim Houses unmatched for adult groups including travelling families, friend gatherings, yoga retreats and private events. Within these two distinct and striking whitewashed structures, every guestroom and suite is a private haven of high ceilings with exposed wooden beams, original stonework, elegant modern lighting and calming neutral hues. Each encompasses a spacious, marble-clad bathroom and a bevy of desirable amenities.

## MULTI-PURPOSE YOGA ROOM

### THE MOVEMENT STUDIO

Nestled in the heart of a serene environment that harmoniously blends modernity and heritage, our customisable Movement Studio offers a tranquil setting for wellness enthusiasts. With the capacity to accommodate up to 12 people, this private haven provides an idyllic space for group yoga, Pilates, and stretching sessions. The fusion of contemporary design elements and traditional aesthetics creates an ambiance that fosters relaxation and mindfulness.

As you immerse yourself in the soothing atmosphere, you will be inspired by the gentle merging of the past and present, providing a sense of connection to history while also embracing the comforts of modern living. The studio's connection to the pool area further enhances the overall experience, allowing for seamless transitions between water-based activities and land-based exercises. The pool's calming waters serve as an ideal backdrop for meditation and other wellbeing practices, facilitating a deeper sense of inner peace and balance.

Whether you are a seasoned practitioner or a curious beginner, our versatile space caters to all skill levels, fostering personal growth and self-discovery. Experience the perfect blend of modernity amidst heritage in this tranquil setting, and allow yourself to be rejuvenated, body, mind, and soul.
